Education

.Bachelor in Graphic Design and Multimedia - ESAD, Caldas da Rainha
2021 - 2024

.Professional Photography Course - Magestil Professional School, Lisbon
2013 - 2016

Experience

.UX/UI Designer - URSO / Invencível
2026 - Present | Portugal

Design UX/UI experiences for URSO, creating calm, practical digital solutions that help people prepare for uncertainty, protect what matters, and stay connected. Work across user flows, wireframes, prototypes, interface design, and product experience, translating preparedness and connectivity concepts into clear, accessible interactions.

.UX/UI Designer - VOQIN’ (futureLabs)
Dec 2025 - Present | Portugal

Lead design thinking, UX, and UI processes to create internal digital platforms that support the company and accelerate event creation workflows. Work across user research, user flows, wireframes, prototypes, and interface design, helping define efficient and intuitive digital solutions. Also design and build event websites on the Cvent platform for hybrid and remote events, shaping the full attendee experience, including site structure, session formats, user journeys, and communication flows.

.Photography Camp Coordinator | Digital Media & Design - SEEDS
Apr 2025 | Iceland

Coordinated photography and multimedia workshops for international volunteers. Supported the organization’s digital presence through social media design, website redesign in Figma, and video and animation creation.

.Video Editor - Six Seconds
2023 - 2024 | California

Edited and produced educational and promotional videos for social media campaigns in collaboration with international creative teams.

.Audiovisual & Multimedia Office Volunteer - ESAD
2022 - 2024 | Portugal

Supported audiovisual production and multimedia design projects, including motion graphics, photography, and digital installations.

.International Volunteering & Cultural Projects
2018 - 2023

Participated in community-based art and photography initiatives across Europe and South America, strengthening cross-cultural collaboration and creative versatility.

.Videographer & Photographer - TV Arroios
2016 - 2017 | Portugal

Produced and edited video and photography content for digital and visual communication.
